COMMENTS FROM THE SUPERVISORS

C. Brocious read a letter from Steven Riesenber of 9852 West Lake Rd. He has a stream on his property that is not named. Mr. Riesenber has requested it be named Coldstream Creek and has submitted this to the U.S. Board of Geographic Names. He is asking for a letter from the Township approving this. The request will be placed on the next meeting agenda after research is done by the Board. Clay also mentioned that he is thrilled that we are hiring a park person.

L. Platz reminded the Board that she and Tiffany Kramer will be out at the PA Association of Municipal Administrators from August 8th to the 10th and that she will also be of the office on the 11th. She also mentioned that a resident has an issue with people shooting on North Creek Rd. Lindy said she would talk with Jeff Gadley to see what his thought were.

COMMENTS FROM THE STAFF

J. Ferrick said that the sealcoating was done in the Township. They are ready for the paving to be done in Sun Lake Estates.

PUBLIC COMMENT

Shawn Wroblewski introduced himself as the new West Erie County EMA Emergency Management Coordinator.

MaryJo Jordano spoke about her neighbor on Springfield Road that she says is running a business out of his personal garage. The Board explained to Mrs. Jordano that we are not permitted to go on his property to see what he is doing. We do not have proof he is running a business so there isn't anything we can do at this time.

ADJOURNMENT

Motion by C. Brocious, second by P. Dion to adjourn the meeting at 7:38 PM. Motion carried (2-0).

Respectfully Submitted,

Lindy Platz, Secretary
