RE: Multi-Year CDBG funded Miller Road Culvert Replacement Project

Dear Lindy:

The site of the proposed project is located within a 100 Year floodplain and a wetland. CDBG regulations mandate that two (2) notices be published – the first being an “Early Notice of Public Review” and the second – Notice of Findings and Public Explanation. The first of these notices (attached) will be published in the Classified Ads Section under Public Notices in the Tuesday, February 7, 2023 edition of the Erie Times News. Please post the Notice on your website and in the municipal building from February 7 to February 23, 2023.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Joe Berdis
